## CAUTION

**KEEP OUT OF REACH OF CHILDREN**  
Refer to Additional Precautionary Statements and Directions for Use  
In Attached Labels of Custom Blended Products

**For Chemical Spill, Leak, Fire, or Exposure, Call CHEMTREC (800) 424-9300**  
**For Medical Emergencies Only, Call (877) 325-1840**

### DIRECTIONS FOR USE

DISEASE CONTROL - Sativa: provides disease protection against smuts, early season Fusarium, Rhizoctonia, and suppression of some foliar diseases. DISEASE CONTROL - Spirato: provides disease protection against seedborne and soilborne fungi that cause seed decay, damping-off, and seedling blight. DISEASE CONTROL - Sebring: at the rate noted above provides systemic protection against Pythium.

INSECT CONTROL: Senator provides protection of wireworm at rates of 0.13 and above, aphids and Hessian fly at rates of 0.8 and above and grasshopper at rates of 1.6 and above. Use higher rates for extended length of protection and higher insect pressure.

### USE RATE & RESTRICTIONS

Apply to seed at a rate of **5.00 fl. oz.** per 100 lbs of seed.

**Refer to attached labels of custom blended products for AGRICULTURAL USE REQUIREMENTS, RESTRICTIONS, and USER SAFETY RECOMMENDATIONS. Follow the most restrictive requirements and specifications on the attached labels of the custom blended products.**

**Net Contents** 15.0 gallons  
**Blend Bulk Density** 8.69 lbs/gallon
