Refer to Additional Precautionary Statements and Directions for Use in Attached Labels of Custom Blended Products
For Chemical Spill, Leak, Fire, or Exposure Call CHEMTREC (800) 424-9300. For Medical Emergencies Only, Call (877) 325-1840

DIRECTIONS FOR USE

DISEASE CONTROL – Spirato provides disease protection against seedborne and soilborne fungi that cause seed decay, damping off, and seedling blight. ST-Methyl improves disease control and provides systemic protection. Sebring at the rate noted above provides systemic protection against Pythium and Phytophthora.

USER RATE & RESTRICTIONS

Apply to seed at a rate of **5** fluid ounces per 100 pounds of seed

Refer to attached labels of custom blended products for AGRICULTURAL USE REQUIREMENTS, RESTRICTIONS, and USER SAFETY RECOMMENDATIONS. Follow the most restrictive requirements and specifications on the attached labels of the custom blended products.
