

2022 Legend Seeds PRODUCT DATA SUMMARY

Our seed is developed, tested and proven here, for your acres. Legend Seeds is committed to local testing of our products to ensure we offer the right seed on the right acre to provide you with confidence from planting to harvest.

Below is the multi-plot data summary of a silage hybrid that was tested at various locations across our footprint.

Silage

40J287 RR
87 DAY

Hybrid Features:

- Performs very well across high and low yield environments
- Very good ear-flex, grain quality, and good dry down
- Very good staygreen and stress tolerance
- Best in zone but moves north very well
