

2022 Legend Seeds PRODUCT DATA SUMMARY

Our seed is developed, tested and proven here, for your acres. Legend Seeds is committed to local testing of our products to ensure we offer the right seed on the right acre to provide you with confidence from planting to harvest.

Below is the multi-plot data summary of a silage hybrid that was tested at various locations across our footprint.

Silage

LR 9191 VIP3220A EZREF 91 DAY

Hybrid Features:

- Very good early emergence and early season vigor
- Strong stalk and roots
- Good drought tolerance
- Great dual-purpose option with very good neutral detergent fiber digestibility
