### CAUTION

**KEEP OUT OF REACH OF CHILDREN**

Refer to Additional Precautionary Statements and Directions for Use in Attached Labels of Custom Blended Products  
For Chemical Spill, Leak, Fire, or Exposure Call CHEMTREC (800) 424-9300. For Medical Emergencies Only, Call (877) 325-1840

### DIRECTIONS FOR USE

**DISEASE CONTROL** – Sativa provides disease protection against smuts, early season Fusarium, Rhizoctonia, and suppression of some foliar diseases. Spirato provides disease protection against seedborne and soilborne fungi that cause seed decay, damping-off, and seedling blight. Sebring at the rate noted above provides systemic protection against Pythium.

**INSECT CONTROL** – Senator provides protection of wireworm. Use an additional 0.3 fl. oz./100 lbs seed of Senator 600 FS to control aphids, Hessian fly or an additional 1.1 fl. oz./100 lbs seed for grasshoppers. Under high infestations of wireworm, an additional 0.5-1.5 fl. oz/100 lbs seed of Senator 600 FS may be needed.

#### USER RATE & RESTRICTIONS

Apply to seed at a rate of **5.00** fluid ounces per 100 pounds of seed

**Refer to attached labels of custom blended products for AGRICULTURAL USE REQUIREMENTS, RESTRICTIONS, and USER SAFETY RECOMMENDATIONS. Follow the most restrictive requirements and specifications on the attached labels of the custom blended products.**
